

COVID-19 PROCEDURES - UPDATE 08JUN20
Last updated on: 08 Jun 2020

For extraordinary times, extraordinary solutions.

For passengers with original travel date up to the 30th of September and tickets issued until the 15th of May 2020, who wish to keep their tickets and rebook later, TAP will offer a discount of € 25 or € 100, depending on the route, for new dates/routes.

From the 8th of June 2020: TAP will offer a 20% bonus to passengers with cancelled flights (UN status) that have their original travel date up to the 31st of August 2020 and choose a refund voucher to use on a new ticket.

See details below.

**PROCEDURES FOR TRAVEL UP TO 30 SEPTEMBER AND TICKETS ISSUED UP TO 15
MAY 2020**

Keep the PNR active and ticket open to reschedule later⁽¹⁾. See reservation change procedures.

DATE AND / OR ROUTE CHANGE

**CANCELLED FLIGHTS
(STATUS UN)**

<p>New travel date :</p> <p>up to 28FEB21 for fully unused tickets;</p> <p>31DEC20 or within ticket validity (more restrictive option applies) for partially used tickets</p>	<p>New travel date :</p> <p>up to 28FEB21 for fully unused tickets;</p> <p>31DEC20 or within ticket validity (more restrictive option applies) for partially used tickets</p>
<p>Same route:</p> <p>Same RBD = NOADC</p> <p>Higher RBD = recalculate and charge difference</p>	<p>Reebook in same cabin .</p> <p>Same RBD or</p> <p>lowest available</p>
<p>New route:</p> <p>Recalculate and charge difference</p>	<p>Changes at no cost. Keep the same fare construction on the new ticket.</p>
<p>Change fee: not charged</p> <p>Note: one free change (no change fee) per ticket; subsequent voluntary changes follow normal fare rules</p>	<p>Change at no cost.</p> <p>Note: after reissue by UN, a free voluntary change (no change fee) will be allowed.</p> <p>Subsequent voluntary changes will follow normal fare rules.</p>
<p>Endorsements: CV19TPOFFER</p>	<p>Endorsements: CV19TP</p>
<p>New reservations and reissues: completed by August 31, <u>according to the TDC, whichever is more restrictive</u></p>	

<p>Discount offer on new travel (except INF):</p> <p>€ 25 for medium haul *</p> <p>€ 100 for long haul **</p> <p>To be deducted from the recalculated amount, in the case of additional charge.</p> <p>If the amount of the difference to be paid is less than the above, apply NOADC (and no credits remain).</p> <p>Endosements: CV19TPOFFER</p>	<p>Option: VOUCHER for new purchase</p> <p>or</p> <p>Option: TAP will allow refund of tickets via BSPLink, however in the current context and with reduction of staff, processing will take longer.</p>
<p>How to price the new ticket with the offer ⁽²⁾</p> <p>Regarding new TST two situations must be observed :</p> <ol style="list-style-type: none"> 1. If the amount of the difference to be paid is equal or less than the discount to be applied, apply NOADC (and no credits remain) 2. If the amount of the difference to be paid is higher than the discount, insert the amount to be collected in total amount field. Insert old form of payment shown on the original ticket and insert a new form of payment with the additional to be collected from the passenger. 	<p>Tickets with Interline or Code Share flights: VOUCHER for new purchase</p> <p>or</p> <p>Option: TAP will allow refund of tickets via BSPLink, however in the current context and with reduction of staff, processing will take longer.</p>
<p>Associated services EMD: can be used in the new reservation. If they expire earlier, contact us. Alternatively a voucher for the total value can also be requested.</p>	<p>Associated services EMD: can be used in the new reservation. If they expire earlier, contact us. Alternatively a voucher for the total value can also be requested.</p>
<p>* domestic flights, european and Africa medium haul (except Luanda and Maputo)</p> <p>** Long haul flights Africa (Luanda and Maputo), Brazil, Venezuela, United States and Canada</p>	
<p>OPTION VOUCHER</p>	

Customer does not want to reschedule date and/or change route immediately

Full value of the ticket given back in voucher via the link <https://reembolsos.flytap.com/RefundsWAR/>

Validity: to be used as payment up to 2 years from the date of issue; 1 year for vouchers issued from th 8th of June.

Non refundable

For travel or services on flights operated by TAP

For full or partial use. The remainder can be used on another journey, within the validity period.

Transferable, with authorization of the holder

Vouchers used by an agency or passenger on a TAP direct channel (flytap.com or Contact Center), originating from a ticket issued by a travel agency, will be considered agency revenue for the purpose of calculating incentives.

Voucher redemption: see how to request [here](#).

**VOUCHERS ISSUED AGAINST TICKETS
WITH ORIGINAL TRAVEL UNTIL JUNE 30(3)**

20% bonus - applicable to tickets where no flight coupon has yet been used.

Additional value is calculated based on the total value of the ticket.

For example, for an ticket value of 100EUR the voucher will be issued in the total amount of 120EUR

Valid for vouchers requested from April 9

(3) From 8th of June: We extended the bonus to tickets with a travel date until August 31, in case of flight cancellation (UN status)
