

Dear Valued Travel Agents,

Please see PAL updates regarding the following:

1. PAL Flights Operating in June 2020 (as of 22 June 2020)
2. Suspension of Choice Seats Neighbor – Free (CSNF)
3. Adjustment on Business Class Airport Upgrade Fees and Eligibility

1. PAL FLIGHTS OPERATING IN JUNE 2020 (as of 22 June 2020)

[UPDATE – as of June 22, 8 PM)

To our PAL Passengers: Our June 2020 flight schedules are highly subject to change for reasons beyond our control; these are not normal times. We may have to cancel, add or adjust our planned flights, based on:

- entry restrictions and requirements set by local government units (LGUs) for domestic travel, which change day to day;
- COVID testing/quarantine limitations for international arrivals in the Philippines
- travel bans and restrictions in other countries.

PAL coordinates closely with all LGUs and government authorities. We comply with all approvals and conditions. We all work together to protect public health during these critical times. Read more on this: <https://www.facebook.com/notes/philippine-airlines/urgent-reminder-appeal-to-all-pal-passengers-on-scheduled-pal-flights/10159376494488306/>

Kindly check daily our social media accounts or our website www.philippineairlines.com to stay updated on the changing developments.

Here is the latest update on the scheduled flights we plan to OPERATE on selected international and domestic routes:

INTERNATIONAL - (June 22 to 30, 2020)

Note: – Certain flights may land in Cebu instead of Manila, due to limited COVID testing slots in Manila. If so, passengers will undergo testing and hotel quarantine in Cebu. PAL will arrange for transfer to Manila (NAIA) for those who receive negative test results, usually within 24-48 hours of testing

Special reminders to our domestic passengers:

Please check with the local government offices of both your origin point and your final destination on travel requirements, such as mandated documents or health certifications. These requirements differ from province to province, and are revised and updated constantly in line with the anti-COVID-19 arrangements of each locality. For more information, please see

MANILA (NAIA) Terminal Assignments

For June 2020, all our international flights from Manila will depart from NAIA Terminal 1. Arrivals will be at NAIA Terminal 2.

Departure and arrival of all domestic flights will be at NAIA Terminal 2.

Flying Safely in the ‘New Normal’

In compliance with international health and safety protocols, PAL is strictly implementing Fly Safe “new normal” practices to protect our passengers as they travel with us.

We wish to remind all passengers to bring your own face masks or facial coverings, as you are now required to wear face masks at all times – at the airport and also throughout your flight.

We also encourage you to check-in online and arrive early at the airport to allocate extra time for new safety procedures (thermal scanning, social distancing practices for queuing, etc.) – at least 3 hours prior to departure for domestic flights; and 4 hours prior to departure for international flights.

Our cabin crew would have undergone rapid antibody testing prior to the flight, and will be wearing full Personal Protective Equipment (PPE) for your protection on board the flight. A modified meal and snack service will be offered on board, using sealed packaging instead of traditional meals.

Don’t worry about the cabin air --- all PAL aircraft are equipped with high-technology systems that continuously infuse fresh air across the cabin (cabin air is replaced every 2 to 3 minutes), as well as HEPA filters that trap viruses, bacteria and other contaminants with 99.9% efficiency. The onboard air creates a cleaner environment that is safer than most enclosed public spaces and comparable to hospital operating rooms.

GUIDELINES FOR AFFECTED PASSENGERS:

If your flight is cancelled, we wish to assure you that your current tickets are safe and remain valid. For details on your options, please see <https://tinyurl.com/s9vp82n>.

SPECIAL REMINDER TO CHECK ON UPDATES:

This is a developing situation, and thus it is quite possible that our plans and schedules may change, as we may be compelled to scale back on flights and routes based on evolving travel patterns and restrictions, or add flights if demand rebounds more strongly. Kindly check our website www.philippineairlines.com, or follow our social media accounts, so that you'll be updated the moment we release advisories on new developments.

OUR THANKS AND APPRECIATION

Thank you for your understanding and support. Your health and safety will always be our top concern, and we wish you safe travels.

2. SUSPENSION OF CHOICE SEATS NEIGHBOR – FREE (CSNF)

In line with the onboard Social Distancing measures that will be implemented on 01 July 2020, please be advised of the suspension of selling Choice Seats Neighbor-Free until further notice.
