

Dear Partners,

Reference the above subject, please be informed that in accordance with the circular from the Foreign Ministry of Bangladesh Government, all EU bound passengers who will travel by the special flights of Biman Bangladesh Airlines must report at Dhaka HSIA (Hazrat Shahjalal International Airport) at least 06 hours prior to their respective flight departure time. This is a mandatory requirement where 02 doctors from the Ministry of Health and Family Planning will carry out health examination (COVID-19 TEST) for the departing passengers.

This is for your kind information and all are requested to update your office and all your sub-agents to inform our valued passengers.
