Hala Bahrain Launches new chauffeur service connecting Bahrain International Airport to Saudi Arabia

06 Sep 2020

Dear Trade Partners,

Greetings from Gulf Air,

Hala Bahrain, the premium hospitality service provider at Bahrain International Airport (BIA), launched a new chauffeur service enabling eligible passengers to travel between Bahrain International Airport and a drop off point at the King Fahad causeway without the need for Coronavirus (COVID-19) testing.

Eligibility for the service is conditional and requires official permission to move in and out of Saudi Arabia from Saudi and Bahrain authorities. Please refer to the attached Terms & conditions, and every single passenger needs to fill the attached form "HBH Declaration of Entering, -Exiting Bahrain-KSA."

For Saudi National and their dependents: Travelling from Bahrain International Airport through the causeway to Saudi Arabia, they can book the service directly Min 48H before arrival at BIA.

For Saudi National Travelling from KSA to any destination using the causeway and departing from BIA, they need to get necessary approval first from local authorities in Saudia Arabia and submit it to Hala Bahrain min 48H before the travel date.

For any other nationalities, the passenger needs to submit the necessary documents and approval to Hala Bahrain Min 48H before Arrival/Departure.

A valid passport copy, flight ticket, and a negative COVID-19 test certificate in accordance with the relevant authority of the final destination upon reservation is needed for all travelers.

To book the chauffeur service in advance, please visit the Hala Bahrain website for more details: www.halabahrain.bh
