

Dear Travel trade,

Please find the schedule changes for traveling from London to Seoul vv. These changes have been reflected in your GDS as a UN/TK segment with the SSR message as "REAC KE [NBR] CNL - COVID19".

We have implemented Amadeus disruption management technology as of 01Sep20. Some tickets are automatically revalidated or reissued. If a passenger is not happy with the schedule change by KE, please refer to the remedies for flight cancellation and handle accordingly.
