Special COVID-19 PCR test rates for Emirates passengers in Dubai

Emirates passengers can take a COVID-19 PCR test at a special rate of AED 150 at American Hospital Dubai Media City Clinic, American Hospital Al Barsha Clinic and American Hospital Al Khawanij Clinic (opening end September). Home or office testing

within Dubai for a minimum of two passengers is also available at AED 250. Test results will be available within 48 hours.

Passengers must present a valid ticket/boarding pass (departure within one month of test date) and ID to take the COVID-19 PCR test at these rates.

Passengers must take the test within the period required by their destination and Emirates will not be responsible if the test results are not released in time for travel.

T&Cs Responsibilities

- Onus will be on the customer to conduct the test within the time frame required for his / her journey.
- Emirates will not be responsible for test results not being returned on time for travel.

Information is available on Emirates.com, click [here](#) and in the Emirates Portal.

Information is also updated the information on [Dubai Residents](#) page and [Tourists departing](#) page
