

Dear Travel Agent ,

On AI website , under the below banner when clicked opens up to the below header

## Advisories for Domestic and International Travel and FAQs [CLICK HERE](#)

State Wise Quarantine Regulations for International & Domestic Passengers. [CLICK HERE](#)

When clicked below information is displayed

Passengers travelling on London-Kolkata flights can do the RT-PCR test at Kolkata on arrival which may take about 7 -8 hours time.

Please forward above to your passengers who are travelling to India from UK and to sub agents as well .

Thanks and Rgds,
