Dear Partners,

Reference the above subject, please find Terms and Conditions to travel MAA as under (also please check attachment): -

All International passengers arriving at Chennai International Airport (MAA), India must comply with the following procedures in order to avail smooth entry or transit through the country.

➢ **Thermal Screening** is mandatory on arrival.

➢ All the passengers who are travelling to Tamil Nadu from other Countries **should have negative – RT-PCR Test Report (Test should be taken within 96 hours prior to the arrival).** The Air Operator shall not permit passengers who have not tested for RT-PCR and tested positive to board the aircraft. The passenger should submit RT-PCR test report result to the District Collector, Chengalpet on arrival at the airport.

➢ Auto generated **TN e-pass is mandatory** (https://tnepass.tnega.org/). The passengers be asked to apply for and get TN e-Pass before boarding. **The Airlines should ensure that the passengers are having e-pass copy (Physical/Electronic) with them before boarding.**

➢ All those who have RT-PCR negative certificate (taken within 96 hours prior to the arrival) and who are asymptomatic will be allowed to go for home and remain in quarantine for 14 days. (During the period, if the individual develops fever, cough, breathlessness they shall visit health facility).

➢ Testing to be done for persons coming from other countries with symptoms.

➢ If they test positive and they are symptomatic, they will be taken to hospital isolation. If they are positive and asymptomatic they will be taken to COVID Care Centre for Management.

➢ If they test negative and they are asymptomatic, they will remain in home quarantine for 14 days.

➢ If they test negative and they are symptomatic, they will be taken to Hospital isolation and be decided on Medical Opinion
