

Notice To Agents: 015

16th November 2020

**PCR CERTIFICATE REQUIRED FOR GUESTS
TRANSITING IN KENYA**

Dear Travel Partner,

Effective from today all guests transiting Kenya to any Destination must produce a PCR based COVID-19 negative Certificate.

Entry Requirements for all Travellers transiting through Kenya:

- All passengers must have negative COVID-19 PCR test.
- Test must have been taken within 96 hours prior to travel.
- Test certificates will be verified at check-in/gate prior to Departure.
- For Travellers whose certificates expire while on transit will require to be re-tested at own cost.
- All passengers must fill the COVID-19 Travellers Health Surveillance Form online via https://ears.health.go.ke/airline_registration/

Please ensure this information is shared with our mutual guests and staff are made aware of this information.
