Last updated on: 19 Nov 2020

All **TAP-047 documents** (tickets and EMDs) issued up to the present date and new documents issued until 31 March 2021, are **now valid for 24 months** (instead of 12 months) for use and refund.

NOTE - This flexibility does not apply to documents that have expired in the meantime.

Examples:

Validity of a totally unused ticket/EMD - 24 months from the date of issue. For reissued tickets, the 24 Months will be counted from the date of reissue.

Validity of a partially used ticket/EMDs - For tickets, 24 months from the date of departure. For EMDs, 24 Months after the date of the first used flight coupon.
