

Dear Valued Travel Agents,

Please see PAL updates regarding the following:

1. Japan Travel Advisory
2. Update on Regulation of Cross-Boundary Conveyances and Travelers in Hong Kong (CAP. 599H)
3. Free Antigen Testing for Manila to General Santos Flights
4. DVO Hub Operations for December 2020
5. Domestic Flight Updates: MPH, TAG, TAC, CBO and PAG
6. PAL Operates More Flights to PPS and BXU

1. JAPAN TRAVEL ADVISORY

Japan has implemented **Quarantine Questionnaire Web** for **Narita bound flights**; this same additional requirement will be implemented for **Kansai bound flights effective December 14, 2020**. Please see the attached PDF for detailed procedure explanation. For those who are unable to get QR code, printed forms on board would still be distributed by the cabin crew.

2. UPDATE ON REGULATION OF CROSS-BOUNDARY CONVEYANCES AND TRAVELERS IN HONG KONG (CAP. 599H)

Kindly refer to the list of countries to comply with the additional requirements for entering Hong Kong and updated hotel reservation requirement (from 14 days to **14 nights**) effective **07 December 2020**.

All passengers who have been to the following countries for the past 14 days are required to produce additional documentation/ proofs before acceptance in the flight as required by the Hong Kong Government.

Countries:		
Bangladesh	Indonesia	South Africa
Belgium	Kazakhstan	Turkey
Ecuador	Nepal	United Kingdom
Ethiopia	Pakistan	United States of America
France	Philippines	All other countries except China
Germany	Romania	
India	Russia	

The passenger must provide the following documents:

1. **Test report in English or Chinese** issued by a laboratory or healthcare institution bearing the name of the relevant traveler identical to that in his/her valid travel document to show that:
 - the passenger underwent a **nucleic acid test for COVID-19, the sample for which was taken from the relevant traveler within 72 hours before the scheduled time of departure** of the specified aircraft
 - the test conducted on the sample is a **nucleic acid test for COVID-19**
 - the result of the test is **negative for COVID-19**

REF: ADV INTLN20-49 10 DEC 2020

Page 2 of 5

If the test report is not in English or Chinese or does not contain all of the information mentioned above, a written confirmation in English or Chinese issued by the laboratory or healthcare institution bearing the name of the of the passenger identical to that in his/her valid travel document, containing all of the aforementioned information and presented together with the test report.

2. **Documentary proof in English or Chinese** to show that the laboratory or healthcare institution is ISO 15189 accredited or is recognized or approved by the relevant authority of the government of the place in which the laboratory or healthcare institution is located. It can be in the form a copy of "Certificate of Accreditation", "Certificate of Compliance", or information printed out from government official website.
