## **Emirates free multi-risk travel insurance**

Dear Trade Partner,

When your customer flies with Emirates, they are flying with the airline rated safest to travel with during the pandemic by the Safe Travel Barometer<sup>1</sup>. We were the first to offer you free global COVID-19 cover, and now we're also the first to extend this multi-risk coverage to give you added assurance anywhere you go.

Our multi-risk travel insurance automatically applies to your tickets when you

purchase flights on or after 1 December 2020. It includes coverage for COVID-19 medical and in-trip quarantine costs, as well as provisions for personal accidents during travel, winter sports cover, loss of personal belongings, and trip disruptions due to unexpected air space closure, travel recommendations or advisories. **Some limitations and exclusions apply.** You can learn more about the benefits and **read the full policy** on our [multi-risk travel insurance page](#).

This additional cover provides you peace of mind and safe travels all the way. So start planning your holiday ahead and get the [latest guidance on travel requirements](#) on [emirates.com](#).

All information is updated on the Emirates Partners Portal, to join our trade community click [here](#) to complete the easy 2 step process to join. All relevant information for our trade partners is made available on the portal to find and easily navigate on all Emirates products and services.

Thank you for your ongoing partnership, for any support please contact your local Emirates Sales Team.
