

Please be aware that the Pakistani authorities have imposed restrictions on travellers from the United Kingdom. Only Pakistani passport holders meeting certain entry requirements will be permitted for travel. It's important you read the full restrictions and entry requirements which can be found here: <https://virg.in/NNX> If your passengers do not meet these requirements they will be denied travel.

I have also attached the latest booking policy which will advise on changes and cancellation policies and an update on Pakistan flying.

For a full update on Covid-19 (Coronavirus) Travel restrictions by destination please see this link. This will updated as and when we get new information, so please do check back regularly.
