

To enter Japan, you need to fill in and submit a questionnaire

Please access the **QuestionnaireWeb**

As part of preventive measures against COVID-19, passengers returning to/entering Japan are asked to fill in a questionnaire about their travel history and health status and submit it to a quarantine officer.

You will be requested to input necessary information on the "Questionnaire Web" in advance at the departure airport, etc. and show the QR code issued to you on the website to a quarantine officer at the arrival airport.

How to Use the Questionnaire Web

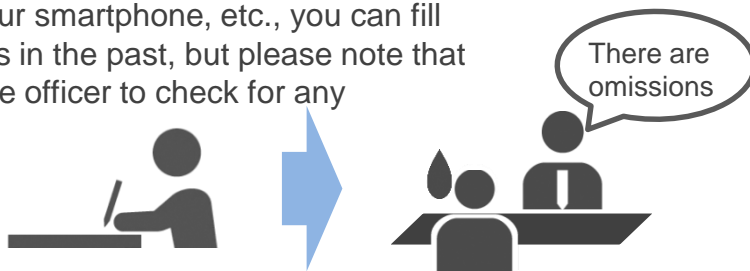

*You need an online connection to access the Web.

① Input information on the Questionnaire Web
⇒ **A QR code will be issued**

② Present the QR code and your passport

* If you cannot access the website with your smartphone, etc., you can fill in and submit a printed questionnaire as in the past, but please note that it might take extra time for the quarantine officer to check for any errors/omissions in the form.

Access the Questionnaire Web via:

<https://arqs-qa.followup.mhlw.go.jp>

*Accessible with a smartphone and PC

How to use the Questionnaire Web

Access to the website.
