

Dear Travel Trade Partner ,

We are receiving lots email for passengers getting No show on onward domestic leg because of long que for Covid test at DEL / BOM / BLR airport .

Please note :

- 1) For onward connection , Airlines to ensure the availability of negative test report before allowing the passengers to board the domestic flight .
- 2) Only passenger tested NEGATIVE will be allowed to take onward domestic connection .
- 3) **Agent's & Passenger's are advised to book connecting flight only after 10hours of landing at DEL / BOM / BLR airport i.e minimum 10 to 12 hours of gap should be maintained between International & Domestic flight .**
- 4) If passenger No showed on Domestic leg then fare rule will apply for further journey .
