

please find below some requirements on USA COVID tested flights.

For passengers who enter Italy:

- the online Passenger Locator Form (PLF) at <https://euplf.eu/en/home/index.html>; after completing it, passengers will receive the dPLF with their unique QR code and will be notified via email.
- an antigenic or molecular negative test result carried out less than 48 hours from departure .
- "Return from abroad" form.

For all passengers:

- starting from March 30th, 2021 the swab test at Fiumicino airport will cost 20 euros.

Please disseminate this information among the reservations staff.

With kind regards
