

Entry Regulations to Jordan

Dear Trade Partners

Greetings from Royal Jordanian Airlines.

As advised by Jordan Civil Aviation Regulatory Commission (JCARC), until 07th of Apr 2021 and until 21st April 2021 midnight, International scheduled flights allowed to operate from/to Jordanian airports.

Nonetheless, the following applies for outbound flights:

- Airlines are responsible to ensure that before boarding each passenger has negative PCR test conducted within 72 hours prior to the departure from the first embarkation airport, health insurance for Non-Jordanians, and install (AMAN Mobile App.).
- Military passengers and their families are required to visit <https://gateway2jordan.gov.jo> to complete the required form and obtain the QR code which is mandatory for boarding
- All QR codes of passengers obtained before suspension are valid
- PCR test is required upon arrival, each passenger has to pay 28 JOD via electronic payment as follows:
 - Queen Alia International Airport – Amman (AMM):
 - <https://registration.questlabjo.com/>
 - King Hussein International Airport – Aqaba (AQJ):
 - <https://COVID19.biolab.jo>
 - Amman Civil Airport – Marka (ADJ):
 - The amount will be collected directly by the Lab
- Each passenger has to obtain a payment bill to show at check-in counters before boarding, passengers who cannot pay through the links, the airline is responsible to collect the amount as EMD.
- PCR test is not required for children below the age of 5 years old.
- Diplomats and Employees of Regional and International Organizations (and their dependents and family members holding Diplomatic Passports, Special Passports or regular Passports) residing in Jordan have a permanent diplomatic QR code that its validity does not expire, and it is possible to return with this code to Jordan for several trips are exempted from:
 - PCR test before departure
 - PCR test upon arrival
 - Health Insurance
- Health Insurance not required for Medical Tourism Patients
- Submit Passenger Health Declaration and Locator Form at the counters before boarding (Attached)

- Arriving passengers from UK are required to have 14 Days Self-Quarantine
- Any passenger gives falsified or incorrect information is subject to a fine of 10,000 JOD.
- International transfer passengers are allowed at Jordanian Airports as follows:
 - Negative PCR test is required within 72 hours prior to the scheduled time of departure.
 - The planned transfer time is not exceeding 10 hours.
- Passengers travelling to Jordan for Medical Purposes:
 - Unrestricted Nationalities: are Not required to hold a letter issued by Private Hospitals Association.
 - Restricted Nationalities: are Required to hold a letter issued by Private Hospitals Association including the entry visa (Passengers holding visa only are not accepted to enter Jordan)
- Passengers travelling out of Jordan can use their PCR test certificate (If required by destination station) to travel back to Jordan provided that PCR test is conducted within 72 hours prior to the scheduled time of departure of their travel back flight.

Please note that this circular supersedes the previous one
