

Dear Trade Partners

Greetings from Royal Jordanian Airlines.

As advised by Jordan Civil Aviation Regulatory Commission (JCARC), effective 09th May until 17th May 2021 midnight, International scheduled flights are allowed to operate from/to Jordanian airports.

Nonetheless, the following applies for outbound flights:

- Airlines are responsible to ensure that before boarding, each passenger has a negative PCR test conducted within 120 hours prior to arrival at Queen Alia International Airport-Amman and a Health Insurance for Non-Jordanians.
- Military passengers and their families are required to visit <https://gateway2jordan.gov.jo> to complete the required form and obtain the QR code which is mandatory for boarding.
- All QR codes of passengers obtained before suspension are valid.
- PCR test is required upon arrival, each passenger has to pay 28 JOD via electronic payment as follows:
 - Queen Alia International Airport – Amman (AMM): <https://registration.questlabjo.com/>
 - King Hussein International Airport – Aqaba (AQJ): <https://COVID19.biolab.jo>
 - Amman Civil Airport – Marka (ADJ):
 - The amount will be collected directly by the Lab
- Each passenger has to obtain a payment bill to show at check-in counter before boarding, passengers who cannot pay through the links, the airline is responsible to collect the amount as EMD.
- PCR test is not required for children below the age of 5 years
- Diplomats and Employees of Regional and International Organizations (and their dependents and family members holding Diplomatic Passports, Special Passports or Regular Passports) residing in Jordan have a permanent diplomatic QR code that its validity does not expire, and it is possible to return with this code to Jordan for several trips and are exempted from:
 - PCR test before departure
 - PCR test upon arrival
 - Health Insurance
- Health Insurance not required for Medical Tourism Patients
- Submit Passenger Health Declaration and Locator Form at the counters before boarding (Attached)
- Non-Jordanian passengers travelling from India who have spent less than 45 days outside India are not permitted to enter Jordan.
- The following to be applied on Jordanian Passengers and their families coming from India:

- Who stayed 14 up to 45 days outside India before travelling to Jordan will be subject to 14 days self-quarantine.
- Airlines are responsible to ensure that Jordanian passengers and their families traveling to Jordan from India through transit airport, or who spent less than 14 days outside India, to sign the attached indemnity form for institutional quarantine at airport hotel for 14 days and to pay the required charges for the whole 14 nights with the amount of 55 JOD ++ for each night. Moreover, the airline is responsible to keep a copy of this indemnity form for a period of 60 days to be provided to CARC upon request.
- Diplomatic passengers are required to coordinate with Ministry of Foreign Affairs and Expatriates, National Center of Security and Crises Management.
- Any passenger gives falsified or incorrect information is subject to a fine of 10,000 JOD.
- International transfer passengers are allowed at Jordanian Airports as follows:
 - PCR test required 72 hours prior to the scheduled time of departure.
 - The planned transfer time is not exceeding 10 hours.
- Passengers travelling to Jordan for Medical Purposes:
 - Unrestricted Nationalities:
Not required to hold a letter issued by Private Hospitals Association.
 - Restricted Nationalities:
Required to hold a letter issued by Private Hospitals Association including the entry visa (Passengers holding visa only are not accepted to enter Jordan)
- Passengers travelling out of Jordan can use their PCR test certificate (If required by destination station) to travel back to Jordan provided that PCR test is conducted within 120 hours prior to arrival at Queen Alia International Airport-Amman (AMM)
