

## TWP 2101: Rebooking options for existing and new bookings (tickets issued on/before 31 July 2021)

The longer the crisis lasts, the greater people's desire to travel again. Given the current circumstances, however, many factors can affect travel plans and increase the need for maximum flexibility. Therefore, the Lufthansa Group airlines are now offering customers even more flexible rebooking options.

Note: As of 11 May 2021, the previously published goodwill rule TWP 2101 (Version 1) will no longer be valid.

Please note: The **date of ticket issue** always refers to the current ticket, i.e.:

- If the ticket has not yet been reissued: date of original ticket issue
- If the ticket has already been reissued: date of the reissue
