**Please ensure the PNR is updated with the remark "Invol change due COVID-19".**

**Tickets reissued involuntarily must be endorsed with INVOL followed by the reason for reissue in the endorsement box (e.g. INVOL REISSUE DUE COVID19 FLIGHT CANCELLATION). Failure to do so will result in ADM (Agent Debit Memo).**

Tickets that are held open without a future date will expire 24 months after the original date of issue. Our current COVID-19 commercial policy allows ticket validity to be extended after two years of date of issue but only if tickets have been reissued to a future date before they expire. To avoid the loss of value of a ticket, please ensure tickets are reissued to a future date before they expire.

### **Etihad Credit**

We'll reward your customers with up to US \$400 when they opt for Etihad Credit. Simply cancel their existing booking and use the value towards their next flight. With Etihad Credit they can reissue the ticket on or before 31 October 2021 to travel system range.
