

Commercial Policy for Qantas customers affected by Northern winter 2021 Qantas International flight cancellations

This new policy is available to Qantas customers holding a valid 081 ticket issued on/before 24 May for travel between 31 October 2021 and 19 December 2021.

The Australian Federal Government has revised its anticipated timeline for the completion of Australia's vaccine rollout to end-2021 and its timeline for significantly reopening our international borders to mid-2022. In light of these two dates, the Qantas Group will adjust its planned international flights from end-October 2021 to late December 2021 (Trans Tasman flights are unchanged).
