

**Subject:** Air Malta - July flight cancellations Heathrow - Malta

Dear Travel Partner

Air Malta is reducing the number of flights operating between London LHR and Malta for July

The KM102/KM103 on Fridays/ Sundays will no longer operate in July , the passengers booked on these flights will be automatically re-protected onto KM100/101 operating on the same day.

The KM100/KM101 on Tuesdays will also no longer operate and passengers booked on these flights will automatically be re-protected onto the same flight the following day.

If the new flights are unsuitable for your clients, the bookings may be transferred on an involuntary basis FOC to alternative flights within the Summer 21 period and within the validity of the ticket. subject to availability.
