

## Coronavirus Rebooking Policy

Emirates' flexible re-booking policy provides customers more opportunities to use their unused tickets or to book tickets for future plans. This re-booking policy now covers your client's travel up to **31 May 2022**.

Customers are reminded that travel restrictions remain in place, and travellers will only be accepted on these flights if they comply with the eligibility and entry criteria requirements. Travel and entry requirements change frequently, and for these reasons we ask you to check via Partners Portal or [Emirates.com](https://www.emirates.com) for the latest requirements.

All information about where Emirates are flying now, the full re-booking policy and the travel requirements for each country, are available on the [Emirates Partners portal](#).

If you have not registered on our dedicated Trade Partners Portal, please click [here](#) to complete the easy 2 step process to start enjoying the benefits of receiving information first hand, bespoke for our partners.
