Tickets that are held open without a future date will expire 24 months after the original date of issue. Our current COVID-19 commercial policy allows ticket validity to be extended after two years of date of issue but only if tickets have been reissued to a future date before they expire. To avoid the loss of value of a ticket, please ensure tickets are reissued to a future date before they expire.

Etihad Credit

Simply cancel their existing booking and use the value towards their next flight. With Etihad Credit they can reissue the ticket on or before 31 May 2022 to travel system range.

Valid on all unused Etihad Airways tickets for travel before 31 May 2022.

Guests will be entitled to a refund of their original fare if they do not use their Etihad Credit within 12 months of their first cancelled flight.

Guests are also entitled to a refund:

- Refunds are permitted for all future bookings with an original travel date on or after 1 October 2020, where any of the flights on the booking have been cancelled.
- If a Guest tests positive following their COVID-19 PCR test or where travel is restricted by government regulations and the guest is unable to travel, they are entitled to a full refund.**

**If a guest tests positive for COVID-19 and they are unable to fly, to receive a refund they must present their positive COVID-19 PCR test result in line with country regulations, i.e the test must have been conducted 48-96 hours before their flight from an approved government facility. If the guest is unable to travel due to government travel restrictions at their point of origin or destination as outlined at etihad.com/destinationguide, a refund can be requested a maximum of 14 days before departure.

Travel agencies have to raise an email request with the nearest Sales Office in the region along with a copy of the positive result. Once the waiver is approved, a waiver code will be provided which must be updated along with the request for refund in BSP application by the travel agent.

Tickets refunded due to flight cancellations/misconnections must be endorsed with REFUND followed by the reason for refund in the endorsement box (e.g. REFUND DUE FLIGHT CANCELLATION/MISCONNECTION).

“Our updated policy also applies to Multiflyer bookings”
