

For re protection you can use Air India and Vistara on domestic routes via BOM or DEL for example, but only the following RBDs allowed:

Priority-3	Partner	AI	AIR INDIA	SOUTH ASIA SUBCONTINENT	BUSINESS	J
Priority-3	Partner	AI	AIR INDIA	SOUTH ASIA SUBCONTINENT	ECONOMY	T

Priority-3	Partner	UK	TATA SIA AIRLINES LIMITED (VISTARA)	SOUTH ASIA SUBCONTINENT	BUSINESS	Z
Priority-3	Partner	UK	TATA SIA AIRLINES LIMITED (VISTARA)	SOUTH ASIA SUBCONTINENT	ECONOMY	K
Priority-3	Partner	UK	TATA SIA AIRLINES LIMITED (VISTARA)	SOUTH ASIA SUBCONTINENT	ECONOMY	L

On QR flights you can use the lowest RBD available within the cabin.

Alternatively you can offer a different departure or destination airport as long as they are in the same country, but unfortunately re protection must be done as per availability and with those carriers only. Re protection with BA is only allowed on domestic routes within the UK. Other carriers within India or from India to Doha/UK are not allowed.
