

15 November 2021

Entry requirement changes from United Kingdom to the State of Qatar

Dear Valued Partner,

Please be advised that entry requirements for visitors from the UK to Doha change on Monday 15 November (12noon Doha time). These changes only affect passengers whose final destination and/or stopover is in Doha.

These changes do not affect any passengers transiting Doha onwards to another destination. Passengers for all destinations served by Qatar Airways can continue to travel and transit through Hamad International Airport (DOH), subject to entry regulations at their final destination. Passengers will need to hold immigration approval to land in their final city in their itinerary.

Entry requirements for visitors from the UK whose final destination is Doha can be found below : <https://covid19.moph.gov.qa/EN/travel-and-return-policy/Pages/default.aspx>

Should passengers from the UK to Doha wish to change their travel plans, please see our Travel with Confidence policy which allows for changes and cancellations. here : <https://www.qatarairways.com/en/travel-with-confidence.html>

Kind regards,
Qatar Airways - UK Leisure
