## EVA Air passenger COVID-19 PCR Test

To book the test to travel smoothly and safely, EVA Air passengers who require COVID-19 PCR tests can now obtain them from Everything Genetic. Home test kits and In-clinic options are available to purchase via Everything Genetic's webpage. <https://evaair.everythinggeneticld.co.uk/index.php>

**COVID-19 tests:**

- PCR - £52.50 (VAT Exempt)
- Antigen Home Kits with photo verification - £13.20 +VAT

- In Clinic Option - £129 (VAT Exempt)
- Antigen Home Kits with Video Verification - £18.15 +VAT

**Terms and Conditions:**

- Products can only be returned if defective or faulty.
- The PCR samples turnaround time: within 24 hours of scanned receipt in the lab.
- or within 14 days from initial order in specific circumstances and only once agreed by the EGL management team.
- The medical report/result will be reported by GMC registered professionals from Everything Genetic. EVA Air takes no responsibility for the test and medical report.
- EVA Air reserves the right to change these terms and conditions at any time without prior notice.

**About the testing services:**

COVID-19 testing services are provided independently of EVA Air. Should passenger choose to purchase a COVID-19 test from the clinic, their terms and conditions will apply. The testing services referenced here are not being advertised by EVA Air as a travel service or as a holiday feature.

## EVA Air Online Health Declaration

Starting from 8th July 2021, all passengers on international flights operated by EVA Air (695) / UNI Air (525) can use the on-line filling method to submit the health declaration and contact details. Passengers who have completed the filling will no longer need to submit the paper health declaration form when check-in at airport.

1. Digital health declaration platform descriptions:

a) Available flights: All international flights operated by EVA Air / UNI Air, including marketing flights actual operated by EVA Air / UNI Air

b) Available registration platforms: EVA Air website, EVA Air Mobile App and Airport Common-Use Self-Service-System ([https://booking.evaair.com/flyeva/eva/b2c/manage-your-trip/log\\_in.aspx?lang=en-gb](https://booking.evaair.com/flyeva/eva/b2c/manage-your-trip/log_in.aspx?lang=en-gb))

English

中文

c) System opening hours:

i) EVA Air website and EVA Air Mobile App: From 48 hours to 1 hour before departure (same as current Internet check-in/App check-in opening hours)

ii) Airport Common Use Self Service System: From the same calendar day to 1 hour before flight departure (end of the operation time will be adjusted according to different airports)

d) Inapplicable passengers:

i) The infant (INF) occupying a seat

ii) The booking status not in HK, HL, SA, KK, KL, RR and TK

iii) Those who have been diagnosed with COVID-19 and have recovered afterwards.

For passengers in above situations, the on-line filling is not applicable, and the paper fillings is still mandatory at airport check-in.

2. Please refer to the below links showing how to complete the health declaration form on-line:
