## Tour Operator Fare - Booking Date

---

Dear Trade Partner,

Please note the following changes when issuing Tour Operator tickets effective **01 October 2022** :

1. Tour Operator tickets will **no longer require** the DOB (Date of Booking) to be added in the endorsement box.  
Tour Operator tickets will be fare guaranteed for the original date of booking or the date of the last segment change, whichever is later. Government taxes should be applied as per date of ticketing.
2. If a Tour Operator booking is affected by a **Schedule Change**, please add the following to the endorsement box:
  - o Date of booking (**DOBddmmyy**) and Schedule change (**SCyyxxx/ddmmyy**) where:
    - yyxxx = Flight Number of flight affected by schedule change
    - DOB = Date of booking
    - dd = Day
    - mm = Month
    - yy = Year

Thank you for your continued support.
