UNITED KINGDOM - published 20.03.2022 COVID-19 entry regulations lifted on 17 March 2022

USA - published 26.10.2022

1. Passengers entering or transiting through the USA must have a COVID-19 vaccination certificate showing that they were fully vaccinated at least 15 days (day of vaccination + 14 days) before arrival. Passenger details (e.g., name and date of birth) in the certificate must match those stated in the passport/travel document. Vaccines accepted are:

- AstraZeneca (SK Bioscience), AstraZeneca (Vaxzevria), CanSinoBIO (Convidecia), Covaxin, Covishield, Covovax, Janssen, Moderna (Spikevax), Nuvaxovid (Novavax), Pfizer-BioNTech (Comirnaty), Sinopharm (BIBP) and Sinovac. A combination of these vaccines is accepted if administered at least 17 days apart. More details can be found at www.cdc.gov/coronavirus/2019-ncov/travelers/international-travel-during-covid19.html

This does not apply to:
- nationals of the USA;
- residents of the USA;
- passengers younger than 18;
- passengers with an immigrant visa;
- passengers with the following visas: A-1, A-2, C-2, C-3 (as a foreign government official or immediate family member of an official), E-1 (as an employee of TECRO or TECO or the employee's immediate family members), G-1, G-2, G-3, G-4, NATO-1 through NATO-4, or NATO-6 (or seeking to enter as a nonimmigrant in one of those NATO classifications);
- passengers with a letter of invitation or other official document, issued by the USA, by other government or by the United Nations, traveling on duty;
- nationals of Burkina Faso, Burundi, Cameroon, Congo (Dem. Rep.), Eritrea, Haiti, Madagascar, Malawi, Mali, Niger, Nigeria, Papua New Guinea, Senegal, Somalia, South Sudan, Sudan, Syria, Tanzania and Yemen with a visa issued by the USA, excluding B -1 and B -2 visas;
- members of the U.S. Armed Forces, their spouses, and children younger than 18 years;
- merchant seamen with one of the following visas: C, D, C1/D, B1, H or L;
- nationals of Ukraine with an approved Uniting for Ukraine (U4U) authorization.
- More details can be found at https://www.cdc.gov/coronavirus/2019-ncov/travelers/proof-of-vaccination.html .

2. Passengers must complete an attestation form before departure. The form can be found at https://www.cdc.gov/quarantine/order-safe-travel.html .
- This does not apply to:
- nationals and residents of the USA;
- passengers younger than 2 years.

3. Passengers are subject to COVID-19 measures set by the state/territory of their final destination. More information can be found at www.cdc.gov/publichealthgateway/healthdirectories/healthdepartments.html

4. DV visas issued in September 2020 that expired are accepted for entry.

5. Passengers could be subject to self-isolation or self-quarantine.
- This does not apply to:
- passengers with a COVID-19 recovery certificate proving recovery in the past 90 days;
- passengers with a COVID-19 vaccination certificate showing that they were fully vaccinated at least 15 days (day of vaccination + 14 days) before arrival. Passenger details (e.g., name and date of birth) in the certificate must match those stated in the passport/travel document.

Vaccines accepted are:
- AstraZeneca (SK Bioscience), AstraZeneca (Vaxzevria), CanSinoBIO (Convidecia), Covaxin, Covishield, Covovax, Janssen, Moderna (Spikevax), Nuvaxovid (Novavax), Pfizer-BioNTech (Comirnaty), Sinopharm (BIBP) and Sinovac. A combination of these vaccines is accepted if administered at least 17 days apart. More details can be found at www.cdc.gov/coronavirus/2019-ncov/travelers/international-travel-during-covid19.html
