In order to avoid changes on TK connection flights following procedure has devised as under:

a) Since **CC/NIL remarks** were already endorsed in PNRs by KHIRWPK, therefore, GDS agents may Involuntary Reissue tickets in the **same Cabin** for Istanbul operations Summer Schedule change 2023.

b) For such re-issuance all agents must add in the endorsement column "**Summer Schedule Change 2023 Invol Reissue**", failure of the same may result in heavy penalties on the agent as per PIA policy.

c) On codeshare routes, booking with **PK callsign** is allowed. For SPAs/Interline sectors TK call sign is permissible.
