

Discover the new Carefree offer, which enables your customers to change date, time and destination of flight at no extra charge!

For all flights purchased from 27 March to 3 April, with travel from 8 September to 30 November will be possible to change date, time and destination, without penalty, even on the Light fare!

The promotion is only valid on flights operated by ITA Airways (excluding codeshare flights).

Changes are only possible for flights taking place in the period 8 September – 30 November 2023 (period of travel).

Within this period, it is permitted to change date / time /destination.

Only one change is permitted per ticket.

Change of destination is always permitted within the same network sector (national with national, international with international and intercontinental with intercontinental).
