

Restrictions at security checkpoints at several German airports on 14 March 2024

The labour union ver.di has announced a strike by security personnel at several German airports (Berlin, Cologne/Bonn, Hamburg, Hannover, Stuttgart and Karlsruhe/Baden Baden) for **Thursday, 14 March 2024**.

Security checks for transit areas will be closed. Access to the departure gates will therefore not be possible.

We kindly ask all travellers who wish to begin their journey at one of the mentioned airports on 14 March 2024 **not to come to the respective airport**.

Guests who cannot reach their flight due to the ver.di strike are currently being automatically rebooked by us. Guests whose booking has already been processed will receive information about the cancellation of their flight and, of course, rebooking options individually via email or in the app (provided the contact details are stored in the booking).

Due to the strike action, flight operations are expected to be disrupted and flights cancelled.

For **flights which have been cancelled or which have been automatically rebooked by the airline**, the Schedule Change/Irregularity Policy for Travel Agents (OS/SN/LH/LX) applies.
