AIR INDIA

IMPORTANT UPDATE
Digital Arrival Card for passengers arriving in India

Dear Travel Partner,

The Bureau of Immigration (BOI) has introduced an online Digital Arrival Card for foreigners arriving in India, which will come into effect from 01st October 2025.

To streamline the immigration process and reduce delays at immigration counters, the Disembarkation Card for foreign nationals can now be filled out both physically and digitally. The physical filling of the Disembarkation Card will continue until the digital system is fully stabilized or for a maximum of six months, whichever is earlier.

Foreign travellers to India will have the option to complete the Disembarkation Card:
- Physically upon arrival, or
- Digitally up to 72 hours prior to arrival, via:
  - The official Indian Visa website: https://indianvisaonline.gov.in/earrival/
  - The 'Indian Visa Su-Swagatam' mobile app
  - Scanning the QR code attached to this email.

Please communicate the same to our customers for a hassle-free immigration process. We thank you for your continued support and partnership.
