

Cancellation of flights operations

Dear Trade Partners,

Due to multiple regional airspace closures, Emirates has temporarily suspended all operations.

For any passenger affected at destination who cannot return to the UK on Emirates due to flight cancellation and Airspace Closure please follow the below.

Customers may be rebooked to the same destination or rerouted to an alternate destination provided the new destination is within the same region or geographically located in the same country or region.

Reprotection on OAL cannot be offered on non affected flight segment.

- Reissue only affected coupon and update first 5 character in endorsement field as '**INVOL**' followed original endorsement text.

e.g. INVOL NON-END/SAVER/REWARD UPGDS ALLOWED

- Fare calculation should be preceded by 'I' followed by original fare calculation text. e.g. '**I** - BOM EK X/DXB EK MCO374.38TOWAPIN1'
