Passenger Guidelines - Security Situation - COMMQ157

19 March 2026

[Commercial Policy](#)

To avoid any cancellations of rebooked sectors by other airlines that could inconvenience your clients, we strongly recommend your continued strict observance of the rebooking conditions as detailed in our guidelines. When applying re-protection on Tier 1 and Tier 2 airlines, please ensure that:

- The new travel dates are within the allowed period for sectors on other airlines (within 10 days of ticket issuance for Tier 1 and within 2 days for Tier 2)
- Your clients are rebooked in the lowest available RBD within the same cabin

Type of bookings

As per **JWC**

Affected flights, cities

Passengers travelling to/from/via DOH

Tickets issued by ^{Updated}

30 April 2026

Original travel dates ^{Updated}

28 February – 30 April 2026

New travel dates

See “Rebooking guidelines” below

Option 1: As per JWC

Rebooking allowed for a new travel date up to **31 May 2026** into the lowest available RBD within the same cabin on QR operating flights which are still scheduled to operate

Option 2: Additional flexibility for rebooking on OAL operated flight numbers (code-share marketing flight numbers are not permitted):

Tier 1: Rebooking of all **cancelled flights** is allowed for a new travel date within 10 days from involuntary ticket reissue on carriers specified **here** into the lowest available RBD within the same cabin for:

Same origin and destination

Alternate airport within the same country

Alternate airport within a 750-mile International Ticketed Point Mileage (TPM) radius

Tier 2: Rebooking of all **cancelled flights** is allowed for a new travel date within 2 days from involuntary ticket reissue on all other carriers where QR has interline agreement (not specified in Tier 1) into the lowest available RBD within the same cabin for:

Same origin and destination

Alternate airport within the same country

Option 3: Rebook unused sectors for a new travel date within ticket validity, same origin, destination. Must apply RBD, routing, flight numbers, max. stay, seasonality and blackouts according to fare rules.

Option 4: Rebook on QR extra flights (operated or code-share) to repatriate passengers. Rebooking shall be made into the lowest available RBD within the same cabin.

Example: Original routing: KUL – DOH – LHR can be re-protected for KUL - LHR
- May combine with OAL feeders available in option 2

Example: Original routing: HKT – DOH – MAD can be reported on BKK – KUL – LHR – MAD (MH and IB feeders for BKK – KUL and LHR – MAD respectively)

Rebooking guidelines (*options can be followed in any order*) ^{Updated}

NDC Bookings – Change, Refund & Cancellation

The process to manage NDC bookings impacted by schedule change or disruption, depends on the servicing requirement and NDC platform.

NDC Refunds:

- Please process via the **Trade Portal Self-Service Form**

Change booking in NDC:

- **Amadeus (Sell Connect and/or Travel API), Travelport (Smartpoint) or Verteil:** Please manage directly on your NDC platform where changes can be made for free (provided that it's within the commercial policy)
- **All other GDS / aggregators:** Please contact the QR B2B Customer Contact Centre
