ANNOUNCEMENT OF MALAYSIA AIRLINES NEW ROUTES

Dear Valued Travel Partner,

03 April 2026

We are pleased to announce the launch of **Three New International Routes** as part of our ongoing network expansion strategy. The new destinations are:

- i. **Shenzhen (SZX), China**
- ii. **Changsha (CSX), China**
- iii. **Fukuoka (FUK), Japan**

Details of the New Flight Schedules are in the **Appendix 1**.

These additions further strengthen our presence in North Asia and Greater China and enhance connectivity for both business and leisure travelers, offering greater travel options through our Kuala Lumpur hub.

The introduction of these routes reflects our commitment to meeting growing market demand and providing seamless travel experiences across key regional destinations. These cities present strong potential across corporate, leisure, and group travel segments.

We encourage all trade partners to actively promote these new services and leverage the expanded network to drive sales opportunities. Malaysia Airlines will continue to support your efforts through competitive fares, marketing initiatives, and trade engagement activities.

Should you require further information or promotional materials, please do not hesitate to reach out to your respective Account Manager.

Thank you for your continued partnership and support.
